Professional Summary

Frontend Developer and ML-enabled application builder with experience in React, TypeScript, Flask, and PyTorch. Delivered production-ready UI for web platforms and led a team project that produced a live plant leaf health detection system. Seeking internship or entry-level roles in frontend or full-stack development with a focus on web performance and machine learning integration.

Experience

- **Bioresearch Community** Bangalore / Remote
Frontend Developer Intern Sep 2025 – Present
 - Delivered responsive UI and reusable React components for IGT and ProLearn platforms, improving page consistency and maintainability.
 - Integrated REST APIs for dashboards and learning modules, reducing UI load delays and improving performance.
 - Collaborated with backend and design teams using Agile practices to ensure accessibility and polished UX.
- **Zidio Development** Bengaluru / Remote
Full Stack Development Intern Jun 2025 – Sep 2025
 - Built and deployed front-end and back-end modules using HTML, CSS, JavaScript, and Node.js.
 - Refactored UI components and improved code structure to simplify future maintenance.
 - Participated in code reviews and QA workflows to increase release stability.
- **AICTE Edunet Foundation (with IBM SkillsBuild)** Remote
Front-End Web Development Intern Aug 2025 – Sep 2025
 - Completed practical front-end training in responsive HTML5, CSS3, and JavaScript.
 - Built polished layouts and practiced version control and modern development workflows.
- **SmartBridge (Google Cloud) - Virtual Internship** Remote
Generative AI Intern Jul 2025 – Sep 2025
 - Completed a virtual Generative AI internship using Google Cloud and Vertex AI concepts.
 - Explored prompt design and cloud deployment strategies for AI workflows.

Education

- **IILM University, Greater Noida** 2022 – Expected May 2026
B.Tech in Computer Science

Projects

- **LeafSense Plant Leaf Health Detector** React, TypeScript, Flask, PyTorch, timm, Tailwind
Team project for live ML-enabled plant health diagnosis
 - Collaborated with team members to deliver a live app that classifies plant leaf images as Healthy or Diseased.
 - Built dataset preprocessing from PlantVillage images, mapping “healthy” folders to Healthy and symptomatic folders to Diseased.
 - Trained EfficientNet-B0 in PyTorch/timm and added an ImageNet-based plant / leaf filter to reject non-plant uploads.
 - Added Test-Time Augmentation (TTA) and a 50% confidence threshold for stable, actionable predictions.
 - Built a React + Vite frontend and Flask API backend with Pillow / torchvision preprocessing and structured JSON output.
- **AgriDoctor Magazine Website** HTML, CSS, JavaScript
Content-driven website for agricultural newsletter
 - Built and maintained a content-heavy website with a structured layout and clean UI.
 - Improved page performance and ensured responsive usability across devices.
- **ProLearn – Expert-Led Learning Platform** React, TypeScript, Vite, Tailwind CSS
E-learning platform with course catalog
 - Built a scalable React 18 + TypeScript frontend optimized for performance.

- Delivered responsive multi-page navigation and polished layout structure.

- **IGT Institute Website**

React, TypeScript, Vite

Responsive educational website

- Built a scalable multi-page site using reusable components and clean layout design.
- Ensured consistent UX and improved site responsiveness.

Skills

- **Programming Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript, Java, Python
- **Frameworks / Libraries:** React.js, Tailwind CSS, Redux Toolkit, Next.js, Flask, PyTorch
- **Tools & Platforms:** Git, GitHub, VS Code, Vercel, Render
- **Concepts:** Responsive Design, REST APIs, Machine Learning, Image Classification, UI/UX Fundamentals

Certifications

- **AICTE + IBM SkillsBuild** Front-End Web Development - Certificate of Completion *Sep 2025*
- **Google Cloud Generative AI (SmartBridge)** Virtual Internship Completion *Sep 2025*
- **Zidio Development** Full Stack Internship Certificate *Oct 2025*

Achievements

- **NCC 'B' Certificate (Leadership)** *Sep 2020*

Volunteer Work

- **NCC Activities** *Sep 2020*
National Cadet Corps
 - Completed NCC "B" Certificate training and developed discipline and leadership.
 - Participated in campus-level drills and social service events.
- **Event Coordinator** *2025*
IILM University
 - Managed the Job Fair event, coordinating students, faculty, and visitors.
 - Oversaw scheduling, registration, and on-day logistics for smooth execution.

Languages

- **English** Professional proficiency
- **Hindi** Native proficiency
